

University of Heidelberg  
**Heidelberg Graduate School  
of Fundamental Physics**

The Heidelberg Graduate School of Fundamental Physics (HGSFP) invites applications for

## **Doctoral Scholarships**

in its core areas of modern fundamental physics:

**Fundamental Interactions and Cosmology**  
**Astronomy and Cosmic Physics**  
**Quantum Dynamics and Complex Quantum Systems.**

The HGSFP combines doctoral projects at the forefront of international research in the areas mentioned above with a rich and thorough teaching programme. Further information can be found on the School's web site: <http://www.fundamental-physics.uni-hd.de>

The branch Astronomy & Cosmic Physics is the International Max Planck Research School (IMPRS) for Astronomy and Cosmic Physics at the University of Heidelberg (<http://www.mpia.de/imprs-hd>). Astronomy students accepted into the Graduate School will automatically be members of the IMPRS-HD and conversely. Membership in the IMPRS for Quantum Dynamics in Physics, Chemistry and Biology (<http://www.mpi-hd.mpg.de/imprs-qd>) is envisaged if appropriate.

Highly qualified and motivated national and international students are invited to apply.

Applicants have to initiate their application registering via a web form available at <http://www.fundamental-physics.uni-hd.de/scholarships.php>

The application deadline is December 13, 2008.
