Lecture Series on Methods in Mathematical Physics

Carl M. Bender

(Washington University, St. Louis, USA)

HGSFP

Multiple-scale perturbation theory

11th October, 2010   14:30–16:00

Introduction to Multiple-Scale Perturbation Theory

**13th October, 2010**   14:30–16:00

Some Elementary Examples

15th October, 2010   14:30–16:00

Some Fancy Applications

Abstract:
http://www.fundamental-physics.uni-hd.de/index.php?m=6&s=4

Location:
11th and 13th October - kHS; 15th October - gHS,
Physikalisches Institut, Philosphenweg 12
