

Lecture Series on Methods in Mathematical Physics

Carl M. Bender

(Washington University, St. Louis, USA)

Series summation – Convergent and divergent series in QM and field theories

April 8, 2008 11:00-13:00 Part I

April 9, 2008 11:00-13:00 Part II

April 10, 2008 11:00-13:00 Part III

Location:

„neuer Hörsaal“ (nHS), Institute of Physics, Philosphenweg 12
