

Heidelberg Graduate School of Fundamental Physics

Central Office: Albert-Ueberle-Str. 3-5, 2. OG Ost, 69120 Heidelberg, Germany, Tel: +49 (0)6221 54-9285,
Fax: +49 (0)6221 54-9289, e-mail: sekretariat@gsfp.uni-heidelberg.de, URL: www.fundamental-physics.uni-hd.de

Application Form

(Please type in English or German)

- also valid for application to the International Max Planck Research School of Astronomy and Cosmic Physics at the University of Heidelberg (IMPRS-HD)

1. Personal Data / Contact Address

_____		_____
Last name	First Name	Middle Name(s)
_____		_____
Address		Phone (home)
_____		_____
Address		Phone (work)
_____		_____
Postal Code, City		Fax
_____		_____
Country	E-mail address	
_____ / _____ / _____	_____	
Date of Birth (dd/mm/yyyy)	Place of Birth	Citizenship
_____	_____	_____
Female <input type="checkbox"/>	Male <input type="checkbox"/>	
Single <input type="checkbox"/>	Married <input type="checkbox"/>	No. of Children _____

2. Educational Data

Please give a brief record of your education after leaving school (college, university, etc) with dates. Do not exceed one page.

3. Course Work

Please list the courses you have taken and the grades obtained. Include all university level or other relevant courses and the grades used by your university. If you have passed final university examinations, please give details.

--

4. University Degrees Obtained

(Please add certified copies of all degrees, together with translations into English or German.)

Studies for First Degree

(e.g. Bachelor, Vordiplom)

University / college

City	Country	Dates of study (from – to)
------	---------	----------------------------

Type of degree	Date of degree	Grade/mark
----------------	----------------	------------

Major subject(s) of study	Minor subject(s) of study
---------------------------	---------------------------

Studies for Second Degree

(if appropriate, e.g. Master, Diplom)

University / college

City	Country	Dates of study (from – to)
------	---------	----------------------------

Type of degree	Date of degree (expected)	Grade/mark (if known)
----------------	---------------------------	-----------------------

Title of thesis

Name of advisor (if applicable)

Studies for a Further Degree

(if applicable)

University / college

City	Country	Dates of study (from – to)
------	---------	----------------------------

Type of degree	Date of degree (expected)	Grade/mark (if known)
----------------	---------------------------	-----------------------

Name of advisor (if applicable)	Subject area of study
---------------------------------	-----------------------

5. Scholarships and Honours

If you have obtained any personal scholarships, honours, or awards that might be relevant for this application, please list them including dates and a brief description.

6. References

Please list below the names, affiliation and e-mail address of two referees you have asked and who have agreed to write a letter of recommendation for you. HGSFP will keep letters of recommendation strictly confidential.

Do not forget to remind your referees to send us their reference letters.

Referee 1: _____

Referee 2: _____

7. English Language

Applicants are expected to have very good oral and written English language skills.

If you have taken the TOEFL test (www.toefl.org) or IELTS test (www.ielts.org), please indicate which test and give your scores: _____

8. Research Experience

In case you already have research experience, please provide us with a brief description of it. Indicate its aims and your personal contribution. State the period of time involved. List publications if any.

9. Areas of Interest for your Graduate Research

Please provide a priority list of up to three possible research fields for your Ph.D. project according to the research topics of the HGSFP.

You may either give a general statement (e.g. "I'm open", or "theory" etc) which might put you on the shortlist of many potential advisers. Or you can be specific (e.g. "rotation of low mass stars") which might put you on the shortlist of only a few advisers, but which are top-rated since you have indicated your exact specific expertise.

Topic 1: _____

Topic 2: _____

Topic 3: _____

10. Details of scientific interest and motivation for studies at the HGSFP

Please give a brief summary of the research area you find most interesting and explain why you find it interesting. Please give your motivation for joining the HGSFP.

11. Starting Date

The official commencement of the winter term is in September 2008. Earlier commencement of doctoral studies in specific cases is possible.

12. HGSFP Outreach

How did you learn about this program?
